

**Our Valley Our Vision**  
Stronger Together

## **Scenarios Evaluation Workshop You're Invited!**

6:15-8:00 pm | Tuesday, May 7  
Gunnison Valley Middle School

This is our valley and our vision. Earlier this spring the public brainstormed options for the future of our valley. We imagined possibilities for recreation, downtown, roads, and housing. Now it's time to evaluate a range of choices for today and future generations.

### **Public Scenarios Evaluation Workshop**

6:15-8:00 p.m. | Tuesday, May 7

Gunnison Valley Middle School Cafeteria

*Sign in & refreshments at 6:15; workshop begins at 6:30*

Plan now to attend, and share a fun, interactive evening with your neighbors. Help develop a long-range community vision ahead of future planning efforts.

The Our Valley Our Vision process is a once in-a-generation opportunity to explore growth-related issues and to think together about our future. Let's decide what we want and how to get there. Afterall, we're stronger together!
